👤 PROFILE

I'm an enthusiastic and hard working individual. I can work effectively alone or as part of a team, benefiting my colleagues with my professionalism and dedication to completing tasks to the best of my abilities. I'm success driven and enjoy making a difference to my work with better knowledge and understanding. I'm a person with a strong technical background and the ability to work with the minimum of supervision. Able to quickly adapt to any situation and a fast learner with the willingness to broaden experience to other technologies.

📁 EMPLOYMENT HISTORY

Web Developer at R-Scandinavian Trucking AB, Gotenburg, SW

May 2021 — Present

Wordpress Developer at Town Web LLC, Madison, WI

January 2018 — May 2021

Wordpress Developer at IDS Group, Colorado, US

August 2014 — September 2017

🎓 EDUCATION

Master Degree in Informatics And Computer Technologies, Faculty of Informatics and Communication Technologies, Bitola, Macedonia

October 2014 — July 2017

My master thesis focuses on Hash functions and their usage in digital signatures and digital forensics. The goal of the thesis is to point out the benefits of digital signatures in electronic transactions and email exchange and to provide tools for securing digital evidence.

Bachelor Degree in Informational Technology, Technical Faculty, University Saint Clement, Bitola, Macedonia

September 2010 — September 2013

My bachelor degree has a strong focus on programming languages, programming paradigms and data structures. The aim of my bachelor's thesis "Comparative analysis of sorting algorithms" was to find the time complexity of the most common sorting algorithms.

Electrical Technician for Computer Technology And Automation, Municipal High School Gorgi Naumov, Bitola, Macedonia

September 2006 — June 2010

During my high school studies, I was exposed to introductions into the world of programming, computer science and computer networks. The basic knowledge that I received during the 4 years of study allowed me to further continue my education into the world of IT.
